

# INDUSTRIE 4.0 AWARD: SHOW YOUR PASSION!

Dear Ladies and Gentlemen,

Are you passionate about Industrial Sustainability, the Future Factory or Digital Leadership – or do you know of companies that provide exemplary services in these categories?

The **INDUSTRIE 4.0 AWARD** honors this passion with an independent assessment and award. Until **June 30, 2024**, you still have the chance to enter pioneering solutions from everyday operations in the competition.

Whether you take part yourself or recommend the **INDUSTRIE 4.0 AWARD** to others – we look forward to receiving all applications!

Best regards

Your team from **ROI-EFESO**

## COMPETITION FOR COMPANIES OF ALL SIZES

The application phase ends on **June 30, 2024** – take your chance now! Our **INDUSTRIE 4.0 AWARD** team will be happy to answer your questions about the competition.

## BENCHMARK WITH INDUSTRY 4.0 PIONEERS

During the application process, participants benefit from a free assessment and feedback on their solution. The winners expand their network with internationally renowned companies and use the award for brand positioning.

## EVALUATION BY INDUSTRY DECISION-MAKERS

The finalists' projects are presented to a renowned jury-panel, who examine them in detail. Anonymized application documents ensure an independent jury-assessment.
